# ADOPT A GRANNY

## PROGRESS REPORT

PROJECT-/FILENUMBER:

3606.0196

NAME(S):

Catinca Turcanu

WHAT WERE THE MAIN EVENTS (JOYFUL/SAD) IN THE GRANNY'S LIFE DURING THE PAST YEAR (OUTINGS, VISITS, FAMILY ISSUES)	Granny was hospitalized for a few days because she felt bad. She would need a bile surgery, but the doctor said that her body is too weak and wouldn't resist to it. On her way to the hospital, and back home, she felt so bad, that she believed she was going to die, because she was not allowed to travel by car.
IS THERE A CHANGE IN THE HOUSEHOLD? (NUMBER OF PERSONS LIVING IN THE HOUSE BESIDES THE GRANNY)	She lives in the same house with her daughter, and her grandson lives in a separate room, a house's annex.
WHAT IS THE CURRENT HEALTH STATUS OF THE GRANNY?	Granny is really sick: she has kidneys problems, she suffers of rheumatism, she has heart problems, bile's little stones and very often dizziness.
WHAT MEDICAL ATTENTION IS ACTUALLY GIVEN?	Granny drinks many medicinal teas.
WHAT ACTIVITIES DOES THE GRANNY DO MOST?	Granny walks all day long. She spends the time with the neighbours. She is almost all the time at them, in the village, because she can't stay only at her home. Granny's responsibility in the house is cooking, or making the fire, but the other things in the house are done by the daughter or the grandson, because she can't pay big efforts.
HOW DID THE LIVING CONDITIONS IMPROVE DURING THE PAST YEAR?	Granny is very happy for the food package, but she didn't afford this year to make changes in the house. Her house looks fine, and the yard is well cared.
WHAT IS THE MAIN SOURCE OF LIVELIHOOD?	Small pension.
HOW DID THE GRANNY BENEFIT FROM THE PROGRAM?	<u>food</u> <u>vitamins</u> <u>clothing</u> <u>blanket</u> <u>home visits/counselling</u> <u>other: Christmas presents, Christian literature, hygiene items, briquettes, medicaments: paracetamol and pain killers.</u>
ARE THERE ANY CHANGES EXPECTED IN THE GRANNY'S LIFE FOR THE COMING YEAR?	No, granny doesn't expect any change for the next year. She would like to feel better and her daughter to do not smoke any more, she knows these things are impossible or hard to happen.
ADDITIONAL COMMENTS:	Granny has a nice garden, which is worked by the daughters. She has another daughter in the village, which lives not far away from her, and she comes often to her to help in the garden. The other children don't visit her because they live far away and have big troubles in their families.
PERSONAL MESSAGE FROM THE GRANNY TO THE SPONSOR:	Thank you for what you do for me. I am very happy for what I receive monthly.
